

# THE ROYAL ISLE OF WIGHT COUNTY SHOW

2017  
DOG SHOW BEST IN SHOW

Irish Red and White setter

Critique: Really impressed by this good sized dog, as a nervous rescue dog, developing well, with a good outline, strong head with good stop, pleasing expression and square muzzle. He has a moderately long neck, a body of the correct shape with strong medium length of loin and good construction fore and aft. He has excellent bone and good feet with strong pasterns. He put in a spirited movement performance in a mature fashion very nice textured coat with good white and rich red markings. Best in show.
